

Dear Sopna Thangachi,

Happy Birthday! On this special day, I just want to tell you how much you mean to me. You're not just my sister you've always been a big part of my life.

1.Thank you for caring for me since my first year of college.Your support means a lot to me.

2.We've had so many small fights (a lot actually 😊), but now when I think about it, feel like sweet memories.

3.You have such a kind heart. Don't ever change. You really make life better for everyone around you.

4.You always support me quietly, from the background, and I see that. I appreciate it more than words can say. 'I've always noticed that. And I'm so thankful.

5.'I'm proud to be your brother. And more than that, I'm lucky to have you.

No matter how many birthdays come and go, you'll always be my best sister and a close friend too.

***With all my love,
Your Brother ❤️***
